Dear Patients and Friends:

It is with mixed emotions that I inform you of some exciting news. After forty years of a stimulating and enjoyable practice, I have decided that I would like to spend more leisure time with my wife and family and explore other possibilities at this time in our lives. I deeply appreciate your part in making the past forty years personally and professionally rewarding.

Fortunately, I recently became acquainted with Dr. David Konefal and I found I had met someone to whom I could comfortably entrust the oral health care of my wonderful family of patients.

Dr. Konefal received his degree in dentistry from Tufts University and he has been practicing in the area for the past six years. Dr. Konefal and his wife Kaela live in Salem and they are happy to call the North Shore home. He is a member of the American Dental Association and the Massachusetts Dental Society. His academic credentials, his commitment to quality dental care and his deep motivation to give the very best to his patients makes me confident you will be in excellent hands for all your dental needs.

I have chosen Dr. Konefal to continue my dental practice because, in addition to his fine credentials and background, he is gentle, meticulous, enthusiastic about his profession, and extremely well liked by his patients. I am confident you will feel as comfortable with Dr. Konefal as you are with me, and he will continue to merit your trust and referrals of family and friends.

Dr. Konefal will be assuming the practice as of this date and I will be available for the next few weeks to complete any cases that I have started and to assist with the transition. Our wonderful and talented staff will continue with our practice and I will also be available to consult with Dr. Konefal as needed. Please call us if you have any questions and if you would like to schedule an appointment.

Your respect and confidence have been motivational to me over the past forty years. I have felt tremendous gratitude and pride to think that you chose me to be your dentist. I am confident you will give Dr. Konefal the same trust and loyalty you have shown to me. Please join me in welcoming Dr. Konefal into our dental family.

In closing, I wish you good health, peace and long life.

Sincerely,

Timothy D. Isabel, D.D.S.
